AUTHORISED PERSONS:

Only authorised persons may possess, store, transport, handle or use **CANID PEST EJECTOR 1080 FOX CAPSULES**.

STORAGE AND DISPOSAL:

Do not store 1080 Fox Capsules in a position accessible to children, livestock or domestic pets. At the completion of a control program, return unused capsules to authorised supplier or dispose of as per instructions below. This pesticide is only to be kept, stored or transported in a container bearing this APVMA-approved label, as supplied by the manufacturer. Store in a secure locked facility. Store in the closed, original container in a dry, cool, and well-ventilated area out of direct sunlight. DO NOT allow capsules to contaminate foodstuffs, or feed, for human or non-target animal consumption. DO NOT reuse containers for any other purpose.

1080 Fox Capsules collected from non-activated ejectors must be disposed of if damaged or showing signs of wear. Retrieved used, damaged or worn capsules should be delivered with empty packaging for appropriate disposal to an approved waste management facility. If an approved waste management facility is not available, bury the 1080 Fox Capsules, any 1080 contaminated rinsate and empty packaging 500 mm below the surface in a disposal pit at the site of use specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots in compliance with relevant Local, State or Territory government regulations. DO NOT burn empty container or product unless authorised by relevant Local, State or Territory Government Authority and as per the relevant Local, State or Territory Government Authority instructions.

Batch:

Date of Manufacture:

APVMA Approval No: 69616/61254

SAFETY DIRECTIONS:

Very dangerous, poisonous if swallowed. Harmful if inhaled. Poisonous if absorbed by skin contact. May irritate the eyes, nose and throat and skin. Avoid contact with eyes and skin. When using the product wear elbow-length chemical-resistant gloves and goggles. If product gets on skin, immediately wash area with soap and water. After use and before eating, drinking or smoking, wash hands, arms and face thoroughly with soap and water. After each days use, wash gloves and goggles.

FIRST AID:

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126. If skin contact occurs, remove contaminated clothing and wash skin thoroughly. Remove from contaminated area. Apply artificial respiration if not breathing. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.

MATERIAL SAFETY DATA SHEET.
